Don't miss this truly charming 1937 brick home set among large multi-million dollar homes! You rarely find lovely brick homes of this era where many of the interior walls are also brick. The rear South/West facing yard features a beautiful swimming pool/spa and there is lush, mature landscaping surrounding the entire home. Securely walled & gated for privacy, this is truly an eden of solitude. The cathedral wood/beamed ceiling in the living room offers drama matched only by the huge wood burning fireplace. There is also a wonderful enclosed sun porch overlooking the pool and rear yard with its own small fireplace. Every aspect of this home says charm!
