

The Coachella Valley Association of Governments and the Cities of the Coachella and Palo Verde Valleys have made it easy for you to obtain non-recourse financing so that you can improve the performance of your building. Today, you can upgrade your building with no up-front costs and get 100% financing for qualified improvements.

You can now enjoy the many benefits of an energy efficient building.

- 1 100% Financing
- 2 Lower your energy-related operating costs
- 3 Enhance your property value
- 4 Boost occupancy and lease rates with a “green” building

ELIGIBLE IMPROVEMENTS

ENERGY EFFICIENCY

RENEWABLE ENERGY

WATER CONSERVATION

Easily qualify for financing of up to 10% of your property's value

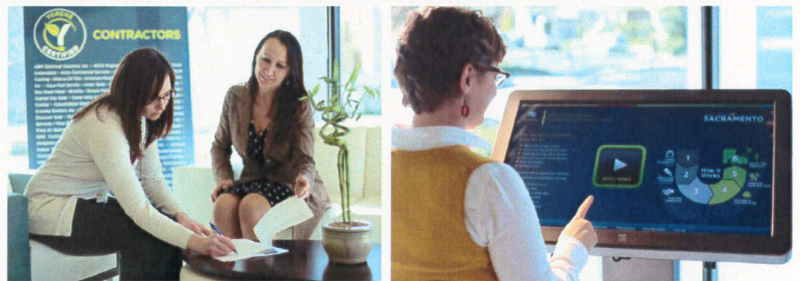

Projects can pay for themselves with the money that you save on utility bills

Little to no up-front costs

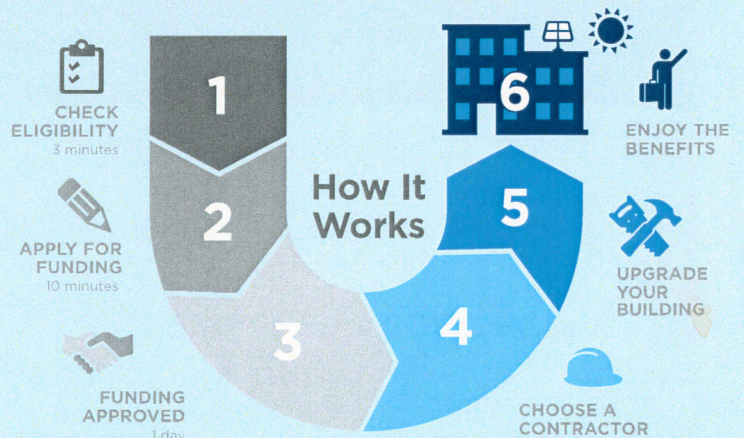

Repay the financing through your property tax bills over periods of up to 20 years

No impact to your credit, and participation is not credit-based

Balance stays with the property upon sale
